However, the Supervisory Board will rightfully exercise its discretion regarding a discretionary bonus as shown in the past.

The Supervisory Board has extended the exercise periods of the tranches 2012 and 2013 of the variable salary component Long Term Stock Performance Plan for the members of the Board of Management for additional two years. The purpose of the adjustment is to increase the incentive effect of this variable component which is used also for the management of the company. The performance targets remain unchanged.

contains a number of suggestions for efficient, responsible corporate governance compliance which is not required to be disclosed under the statutory provisions. LANXESS currently complies with these suggestions as well, with only a few exceptions.

Section 2.3.2, Sentence 2, 2nd Half-Sentence

The Management Board shall arrange for the appointment of a representative to exercise shareholders' voting rights in accordance with instructions; this representative should also be reachable during the General Meeting.

The representatives appointed by LANXESS AG to exercise stockholders' voting rights in accordance with instructions can be reached at the Stockholders' Meeting until the voting is held. Stockholders not attending the meeting can reach the representatives up to the previous evening.

Section 2.3.3

The company should make it possible for stockholders to follow the General Meeting using modern communication media (e.g. Internet).

The speech by the Chairman of the Board of Management to the Stockholders' Meeting is broadcast on the Internet. Continued broadcasting of the proceedings thereafter, particularly of contributions made by stockholders, could be seen as a violation of the stockholders' rights to privacy. For this reason, LANXESS does not plan to broadcast the further proceedings.
